

Government Outsourcing Consultant – Public Sector

ABOUT AGH:

As one of the top 200 CPA and advisory firms in the U.S., AGH has been serving closely held and privately-owned entrepreneurial firms and public sector organizations for more than 80 years. AGH is based in the central U.S., but the firm's reach and specialized expertise available to clients spans the globe. AGH's more than 130 professionals serve as trusted advisors and provide clients with a broad portfolio of tax, assurance and advisory services.

POSITION SUMMARY:

We are recruiting for an experienced government financial accounting and reporting professional with direct responsibility for consulting engagements of state and local governmental entities. This includes providing technical guidance, leadership and review of work of staff members assigned to the engagement in accordance with standards as well as maintaining close working relationships with client management.

ESSENTIAL RESPONSIBILITIES:

- Ability to provide CFO/Controller level outsourcing services to potential State and Local government clients
- Provide governmental GAAP financial reporting and accounting expertise to clients
- Work collaboratively with other departments to manage the workload for shared staffing resources
- Ability to oversee staff
- Assist with development opportunities, proposals and seeking out opportunities in the marketplace to grow the business
- Ability to maintain positive client relationships

QUALIFICATIONS:

- Bachelor's degree in accounting preferred
- Four to five years of hands-on public sector accounting and/or auditing experience - required
- Prior experience directly in the governmental audit or financial reporting area - preferred
- CPA, other certification or governmental-specific credential preferred
- Knowledge of GAAP (GASB) authoritative guidance and financial reporting
- Knowledge of government auditing standards and single audits
- Ability to build and maintain relationships
- Excellent verbal and written communication skills and critical thinking skills
- Strong time management and organizational skills
- Strong analytical skills

WHY WORK FOR US:

At AGH, you will find an environment where good work is rewarded, and growth is valued. AGH offers competitive wages to qualified individuals and the opportunity to grow professionally and personally through diverse work experience and formal training. Our top five people initiatives are:

- A challenging variety of work in a continuous learning environment
- Career/life integration
- Flexible work environment with great opportunity for advancement
- Ability to make a difference with clients and influence the AGH culture
- Individualized career pathing
